USA_ NBA

The NBA (national basketball association) is an American league. The headquarters is located at New York in the United States. The CEO of NBA is Adam Silver, He has held this position since February 1, 2014. He succeeds David Stern. Nba was created on 6 June 1946. NBA is an private association.

WHAT IS BASKETBALL ?

Basketball is a ball and team sport between two teams of five players on a rectangular court. The goal of each team is to score in a basket. Each entered basket brings back two points to its team, with the exception of shots made beyond the three-point line that earn three points and free throws awarded following a foul that earn one point. The team with the highest number of points wins the game.

SOME FIGURES...

- The turnover of the NBA is six billion dollars in 2016, it has doubled since 2004.
- Wages in the NBA have exploded in the last 30 years. Last season, before the health crisis, the average salary per player was 9.5 million dollars per year.
- The number of teams in the NBA is 30 (29 in America and 1 in Canada).

WHY BASKETBALL IS IMPORTANT IN AMERICAN :

Basketball is one of the four most popular sports in the United States. It has long been considered a social elevator for the black American community and a symbol of gender diversity. Basketball is much more developed in the United States than in Europe and is practised professionally from high school on. University basketball teams play in a highly organized professional championship. The best university basketball players are integrated or "drafted" into the NBA.
